**ORCC Summer '23
Dive Meet Info Sheet**

These are the dive meets in which we will be participating this summer. Please check your calendars and return this to a Dive Coach by June 7th. All dual & tri dive meets have a warm-up time of 5:00 p.m. for 8 & unders and an approximate start time of 5:15 p.m. Older age groups will have warm-ups prior to their competition. Each parent is asked to help during 2 meets (table, awards, etc.-no experience needed-we'll show you how!). Dive meets (dual & tri-meets) last between 45-90 minutes depending on the age of the diver and the total number of divers from each team. Dive invitationals are held in the morning and coaches will contact those eligible to participate.
